

**Marilyn Bader** is a retired Prevention Training Coordinator for the National Council on Alcoholism and Drug Abuse – St. Louis Area (NCADA) currently known as PreventED. She coordinated and trained a wide variety of programming for youth, adults, community members, and faith-based and school staff. Her experience ranges from direct service programming at the local level to working with community teams throughout the Eastern Region of Missouri as well as training on the state and national level. She has served in a variety of leadership capacities in the prevention field, peer helping organizations and faith community. Her educational background includes a B.S. in Education from Southeast Missouri State University, an M.S. in Education and Counseling from Kansas State University and an honorary doctorate from Concordia University - St. Paul, Minnesota.

Marilyn has served in various capacities for the National Association of Peer Program Professionals (NAPPP). She previously has served on the Board of Directors for both the National Peer Helpers Association (NPHA) as well as the Missouri Peer Helpers Association. Currently, Marilyn is a member of the Professional Development Committee and holds credentials as a Certified Peer Program Educator (CPPE) and Certified Trainer Consultant (CTC). Additionally Marilyn contributes to the newsletter writing the Training Corner for each edition.
